Stallion Coaches Application Check List

Thanks very much for your interest in helping develop the youth of the Stallions. We desperately need coaches for many of our teams. Depending on the team, we need coaches of varying levels of experience from none to significant. The safety of our players is our top priority. In today’s world, unfortunately, certain precautions are needed. The following information is required. All applicable blanks need to be filled in to help us make a reasonable decision.

By signing this form, I am applying to be a coach, but will not be assigned a role, if any, until the FBI check has been completed, contract signed, and purchased the “Winning Youth Football” book. Failure to complete the form or falsifying the form is grounds for rejection.

None of the information of the background check is made public.
