Attention All Parents! Please Mark These Dates

We need you! KICK OFF IS TUESDAY MAY 20TH 6:30PM AT TRI COUNTY BAPTIST CHURCH

We are excited to announce “**The Stallions Christian Youth Charity Golf and Walk**” to be held on **Friday, June 27th** (golf tournament) and (walk-a-thon). This special event combines all parents and children in a powerful, Stallion-wide family event to generate much-needed funds. **Golf at Sharon Woods begins at 8:00 a.m. and Walk-a-thon at Niederman Family Farm begins at 6:00 p.m.**

Our goal through this big event is to raise \$100,000, which will enable us to help support families who need financial aid and special needs children! **It is our goal to have 100% children, parents, and coaches’ participation.** We need **every family** to participate if we are to reach our full potential. So that the Stallions values and virtues can grow in a giving way we request everyone’s participation. **It is much more satisfying to give and in return you will receive.** Let’s work as one team.

If you golf, male or female, come join the team of golfers! If you don’t golf, please be part of our walk event. We will have a great time at both events.

The next two days you will receive one email per day with information on the exciting incentives available to you and your child. Please check your emails each day and please respond.

Thank you in advance for a great job!

FREQUENTLY ASKED QUESTIONS

Q. To whom should we send our letters?

A. Grandparents, aunts and uncles, family, friends, co-workers, pastors and church friends, coaches, your doctor, dentist, mechanic or neighbors. Do not send letters to random people (like Oprah Winfrey,) companies or local businesses (unless you have a personal relationship with them).

Q. What will people think?

A. If you are polite and sincere, people will respect and admire you for your commitment to your cause. Most people give money to the same organizations every year, and they will soon anticipate your letter each year. (Are you offended when the Scouts knock on your door every year?!) Relationship-based giving is the most effective way to raise money, and you will be asking people that know you. Most people would actually prefer to give money than be asked to purchase something they really don’t want or need.
