Lakota Stallions is a youth football and cheerleading Christian ministry whose mission is to Transform boys to Men beyond the goal line, and to Transform girls to great Women for life.

What is the Stallion Christian Youth Charity Golf & Walk?

The *Lakota Stallions Christian Youth Charity Golf & Walk* is a significant source of funding for our organization. Our goal is to raise \$100,000 through this event by mobilizing concerned men, women, and families in an exciting, one-day family-focused event. All participants are asked to raise funds prior to the event day through personal sponsors. Golfers will enjoy a fun scramble event with contests, prizes and more! The walk will be a fun social event, concluding with food and music. Gifts and prizes for everyone!
